Mark,

I'm getting questions from folks re: article. Can you provide insight to what was meant? Thanks in advance, Mike

EPA gears up to aid Ukraine

By Kevin Bogardus, E&E News reporter

"We don't have to wait for hostilities to cease. We'll help in any way that is practical," Kasman said. The agency is discussing how to use existing resources to help Ukraine, he later said.

Biden restores climate to NEPA, undoing Trump's efforts

By Kelsey Brugger, E&E News reporter

The White House today completed reforms on how agencies implement the National Environmental Policy Act, effectively undoing one of the Trump administration's most controversial environmental regulatory rollbacks.
